

October 26, 2017

Name Change to KLX Aerospace Solutions International Service Center GmbH

This is to inform you that as of 26 October 2017 Interturbine Aviation Logistics GmbH has been renamed

KLX Aerospace Solutions International Service Center GmbH.

All current contracts and open purchase orders will be from **KLX Aerospace Solutions International Service Center GmbH** with immediate effect. Future orders will be exclusively from the new company name.

We ask you that you please update your databases and systems to our new company name, **KLX Aerospace Solutions International Service Center GmbH** to ensure a smooth transition. All other company details (address, commercial registration, account numbers, etc.) remain unchanged.

We thank you in advance for your cooperation and look forward to continuing our successful partnership as **KLX Aerospace Solutions International Service Center GmbH!**

If you have any questions please do not hesitate to contact your usual contacts.

With kind regards,

Holger Assmann
Managing Director
