**KLX AEROSPACE SOLUTIONS PARTNERS WITH FUJITSU AMERICA, INC.,  
TO DELIVER RFID TECHNOLOGY TO AEROSPACE CUSTOMERS**

**WELLINGTON, FL**, June 19, 2017 – KLX Inc. (the “Company”) (NASDAQ: KLXI), a leading distributor and value added service provider of aerospace fasteners and consumables announces that it is partnering with Fujitsu America, Inc., to deliver RFID labels and total package solutions including RFID readers, printers, software, and support to Aerospace customers.

KLX and Fujitsu America, Inc., are partnering to better support the unique requirements of the aerospace and defense industries by combining KLX’s industry leading inventory management services with Fujitsu’s complete line of RFID labels, readers, printers, software and technical support solutions.

John Cuomo, General Manager and Group Vice President of KLX Aerospace Solutions said of the partnership, “We are excited to partner with Fujitsu as a stocking distributor of RFID solutions for the global aerospace community. This will allow us an opportunity to provide a solution to our customers for this requirement, without adding excess channels to their supply chain.”

Kevin Wrenn, Senior Vice President, Fujitsu America, Inc., said, “Our aerospace customers require mobile devices with RFID technology, and Fujitsu was keen to provide a comprehensive solution. We searched for a strong and reliable global partner and are pleased to have found those qualities in KLX.”

**About KLX Aerospace Solutions**
